

### **Birdwatching and Feeding Activity: Materials List**

If you were unable to register for a materials kit you can still participate in our live class. The supplies you will need for this activity are listed below.

#### **Activity description:**

During this program, we'll guide you through making a bird feeder to help provide a good meal to your backyard birds while learning about the history of birdwatching in the United States!

#### **Supplies needed:**

- Small grapevine wreath (a pinecone will work as well!)
- A plate or surface you don't mind getting sticky
- A few tablespoons of honey
- 2 teaspoons of water
- A handful of birdseed
- Three pieces of twine, each about 12 inches long

#### **Activity:**

- Once you have your materials ready, connect with us on our Facebook page, Fort Worth Museum of Science and History, for Facebook Live 4/20/21 from 4:30 PM - 5 PM.
