July 19th-23rd: $225
July 26th-30th: $225
Scholarships Available

The Little Scholars Program: Summer Session is focused on reigniting students’ love of learning within a safe, immersive learning environment. Daily tutoring lessons combined with exploration of museum exhibits, visits to the STEAM Lab, and trips to other museums in the cultural district will help prevent the summer slide and bridge the COVID learning gap.

Certified teachers help students navigate their learning in small pods, based on grade. All participants are provided breakfast, lunch, and a daily snack from the Museum Café. Scholarships, and transportation are supplied as needed.

Temperature and symptom screening is required for all attendees and staff.
