Mad Scientist Ball is the Fort Worth Museum of Science and History's signature annual fundraiser and one of the most unique parties in town! With more than 400 influential business leaders and philanthropists enjoying competitive live and silent auction bidding, this celebration with delectable food and amazing entertainment will be a night to remember. We invite you to partner with us for a creative marketing and philanthropic opportunity!

Will you contribute to the success of this fundraiser by participating as an in-kind auction donor at Mad Scientist Ball?

This sensational soiree will be held on Saturday, September 17, 2022 at the Museum. Your generous donation will help ensure that we can continue our 80-year tradition of providing extraordinary learning environments and inspiring programs that bring science and history to life!

As an in-kind donor, you will increase your visibility and exposure to current and potential customers while demonstrating your support of our role in the community. Your commitment as a generous donor will be recognized with your donation on the evening of the event.

For your convenience, a donation form is enclosed with this letter. Please complete and return the form with your donation. If you have any questions or require additional information, please let me know.

Thank you for your generous support.

Sincerely,

Tammy McKinney
VP of Development
Fort Worth Museum of Science and History
